

# BISCO

**Brockport Integrated Service & Community Organization**  
PO Box 197,  
Brockport, NY 14420

The purpose of this organization is to serve as a separate group whereby local organizations such as the ones which helped to create BISCO (Brockport Kiwanis, Lions, Rotary, Fire Department and Elks), their members, other local organizations/groups, as well as individuals from the community-at-large will cooperatively and collectively contribute to the betterment and/or well-being of eligible individuals, groups and organizations. The westernmost towns of Monroe County in New York State comprise the predominant service area. The organization's primary focus is the support of projects that benefit individual or groups of children.

This organization achieves its purpose by sponsoring and/or otherwise financially supporting appropriate activities and projects through volunteer efforts, utilization of a variety of fund-raising events, direct solicitation of the public and procurement of support through grants from state, business and foundational sources.

**Each year BISCO sponsors the Brockport Arts Festival** which brings thousands of visitors to our Village. The popular Duck Derby helps fund projects for BISCO and in 2012, BISCO's partner is the Sweden Senior Singers.

## **BISCO** has used its proceeds for such projects as:

- Adult/child lawn swing for Monika Andrews Park
- Sweden/Clarkson Community Center Playground (ongoing)
- Lakeside Hospital Equipment
- Playgrounds on Barry Street and Clark Street in Brockport
- Bleachers, a batting cage and partial funding of safety fencing at the new ball field at Sweden Town Park and a large donation for the Skate Board Park.
- Supports the Brockport Toy Shelf
- The Brockport Central School "Walk to School" program
- The Cool Kids Program, especially the Friday Summer program
- Extrication equipment for the Brockport Fire Department

## **The Sweden Senior Singers** will use their share of Duck Derby profits for:

- New music
